## **H2: About Turks and Caicos Islands**

The Turks and Caicos Islands are tropical islands located in the Lucayan Archipelago of the Atlantic Ocean. The islands are part of the Bahamas chain of islands. Since 1973, the islands have been a British Overseas Territory. Known primarily for tourism, the islands boast several attractions to satisfy any vacationer.

There are about 100 islands in the Turks and Caicos network. There are three main aspects or parts to the islands.

The first is Providenciales, also called "Provo." This area houses a line of luxury hotels just waiting to pamper you and your group.

The second is Grand Turk. This area is known for its casual attitude and is the cultural epicenter of the islands. The shores of Cockburn Town are important in history. Explorer Christopher Columbus first stepped foot on the Western Hemisphere on these shores.

Finally is Salt Cay, where you can go diving near one of the biggest reef systems on the planet.

The climate is warm without being overbearing. During the summer season, temperatures rarely rise above 91 degrees Fahrenheit. They don't fall below 64 degrees in the winter.

## **H2: Easy to travel to and even easier to visit**

Turks and Calicos Islands have several advantages over other vacation hot spots. The islands use U.S. currency, and its natives are English-speaking. The Islands' hotels use standard 120-volt wall outlets. You can bring your laptop and cell phone chargers without any annoying conversion gizmos.

And it's easy to visit! By plane, the islands are just a little over an hour away from Miami, or about two and a half hours from New York.

## H2: 21 restaurants to satisfy your appetite

Vacations are all about great food! Turks and Caicos Islands offer a vast array of different kinds of [dining options](#). The vast choices can be overwhelming to some first-timers. Restaurants in Turks and Caicos can be broken down into three basic types. You can choose:

- **Authentic 'Island Style' cuisine:** These dishes tend to have robust flavors and are on the spicy side. They are a great choice if you want to experience eating like a native in the Caribbean.

- **Simple 'Caribbean Casual' dining:** These offer the most options. You can choose sushi, burgers, steak and lobster, soups, wraps, and anything you can think of.

- **Elegant formal dining:** The fine dining options on the islands feature chefs from all over the world. When you're in the mood for elegance, there's no better way to spoil yourself.

## H2: Visit world-famous beaches

The Turks and Caicos Islands boast some of the most appealing and [popular beaches](#) in the world! While there are far too many beaches to list, here are some of the most desirable.

Grace Bay Beach, on the coast of Provo, tops many lists as the number one beach on the planet! But it's not the only one.

Looking to escape the bustle of the crowd? Leeward Beach, located to the east of Grace Bay, doesn't have any hotels. The result? Your visit will be quiet and relaxing. All without throngs of humanity spoiling your relaxation.

## H2: Explore Turks and Caicos beautiful waters

When you visit a tropical island paradise, doing something in the water is a must! The islands offer a variety of fun activities such as:

- Hotel pools
- Water sports
- Swim-up bars
- Charter fishing.

Local fishing charter companies offer several choices. Choose from deep sea fishing, reef or bottom fishing, and even [fun snorkel parties](#)! Ask your charter company guide about creating a customized trip to try all three options.

## **H2: A wide variety of fishing opportunities**

What [species of fish](#) can you catch in Turks and Caicos waters? A better question might be what *can't* you catch! Saltwater Sportsman and Florida Sports Fishing magazines has voted the Turks and Caicos waters "world's best!".

Some of the fish you can catch on a fishing charter include:

- Wahoo
- Mahi Mahi
- Sailfish
- Blue Marlin
- Barracuda
